Old Man Crudge's Cornish Fayre

Yarg is a semi-hard cow's milk cheese. Before being left to mature, this cheese is carefully wrapped in nettle leaves to form an edible, though mouldy, rind.

Cornish Blue is a cheese made by the Cornish Cheese Company at Upton Cross and was recognised as the winning cheese in the World Cheese Awards.

Gevrik is a soft, full-fat goat's milk cheese produced in Trevarrian near Newquay. The name means "little goat" in Cornish.
