1337: Duchy of Cornwall created

Grumpy Jim's Dates in History

Edward III created the Duchy of Cornwall in 1337, for his son Edward, "The Black Prince"

This confirmed that the tin miners were exempt from all civil jurisdiction other than that of the Stannary Courts, except in cases affecting land, life or limb.

It includes title, honour and the landed estates including the 17 duchy manors found within the county.
