

# IC09 Moomaid of Zennor Ice Cream

Tom's Cool Ice Cream Guide

They are a small family run which makes luxury Cornish ice cream and sorbet in their purpose built ice cream parlour at Tremedda Farm in West Cornwall.

They produce over 30 sumptuous flavours ranging from traditional favourites such as Cornish Clotted Cream, to specials including Chocolate Sorbet.

Legend has it that a young Cornishman was lured into the sea by the Mermaid of Zennor. Today you are more likely to be seduced by Daisy, Primrose and Sid Vicious - three of the cows from the herd!
