Chalk & Cheese's Cornish Sports

A full list of the leisure and swimming pools is available at the [Cornwall.gov.uk](http://Cornwall.gov.uk) website. For more info click the link to the left.

As well as leisure pools, swimming at beaches around the coast is great fun. It is important that you stay safe and follow the advice of the RNLI.

Wild swimming is also popular in Cornwall. The [www.wildswimming.co.uk](http://www.wildswimming.co.uk) website recommends St Nectan's Kieve as a highlight of the county.
